SF Bay Delta Estuary LAE Discussion May 20 2010.doc

I amplified on Sam's draft agenda a bit, breaking out the elements in the Action Plan and adding a section at end to overtly describe how Bay-Delta differs from other LAEs.

The powerpoint I used last summer for Pete Silva et all still works pretty good for visuals on the setting, problems, and priorities. We can then leave the powerpoint when we discuss Action Plan and subsequent topics.

I'm open to splitting it up, or covering most of it and letting others chime in randomly. We can discuss tomorrow morning.
